#### AIRFLOW

These products are supplied in our AIRFLOW profile as standard. This generation of aerodynamic accessories are designed for the highest performance. On request, we can also supply the products in the traditional "smooth" profile.

#### FINISH

As standard the accessories are supplied **anodized** in silver color. Products can also be supplied **sand blasted** for your own lacquering, no additional charge, or **powder coated** in black or white color or **lacquered** in your own personal color, ask us for a quote.

**Brackets** comes standard powder coated black, but is possible to get painted in the same color as the front protection

**Note!** Catwalks come anodized only.

**PRICES:** All prices are in **SEK** and are subject to VAT and ex works Färila (Sweden)

We reserve the rights to technical or price changes without prior notice

**FURTHER INFORMATION** about our accessories for mounting of, for example, lights can be found in our folder
